

New York South Assembly Area 2023 Annual Appeal

Please read aloud to your members for at least two consecutive meetings.

PLEASE CONTRIBUTE

Dear Al-Anon/Alateen Family Groups (AFGs) and Members of New York South,

Our Seventh Tradition encourages AFGs to be fully self-supporting. This includes contributing financially to our service arms [District, Al-Anon Information Services (AISs), Area, World Service Office (WSO)] and being of service.

New York South Assembly Area (NYSAA) works to fulfill our primary purpose: to help families and friends of alcoholics and to function as an important link between NYSAA groups, members, districts, and World Service. For the Area to continue fulfilling its role, we need your help—both financially, and with your service.

As a result of changes stemming from the pandemic, contributions to the Area have decreased dramatically over the last three years. For more information on the current financial balances and prudent reserve, please click [2023 Area Finances](#).

Here's how your contributions help support our NYSAA groups

- Facilitating group inventories
- Hosting bilingual and hybrid Area assemblies, meetings and workshops
- Maintaining accurate group records
- Maintaining Area website and calendar
- Organizing Al-Anon meetings at AA conventions and workshops
- Planning 2024 Discovery Convention
- Sending our delegate to the annual World Service Conference
- Sponsoring Area public outreach projects
- Training and certifying Al-Anon Members Involved in Alateen Service (AMIAS)

How to help

We ask our NYSAA groups and members to be as generous as possible. We're so grateful to those of you who have recently contributed (groups, members, districts, AISs and NYC Intergroup). We continue to rely on your generous contributions.
