

New from Al-Anon

Al-Anon and Alateen's Role in Family Recovery

DVD

A member from New Jersey recalls:

It was just such a relief to walk into a room and have people nod their head, "Yes, I've been like that," or "Yes, I've experienced that," because I don't think I realized how dysfunctional it was, until I heard other people share how it could be.

From Al-Anon and Alateen's Role in Family Recovery DVD

Al-Anon Family Groups' newest video (DVD) offers ten-minute, stand-alone presentations to three primary audiences—adults, teens, and professionals:

- Professionals and anonymous Al-Anon members address adults (approximately ten minutes) who might benefit from Al-Anon
- Professionals and anonymous Alateen members address young people (approximately ten minutes) who might benefit from Alateen
- Professionals address other professionals (approximately twelve minutes) who might refer clients to Al-Anon and Alateen

The DVD also offers facilitators individual segments (up to approximately 15 minutes) to tailor-make presentations for specific audiences:

- For adults before, during, and after attending Al-Anon
- For young people before, during, and after attending Alateen
- For professionals about diagnosis, treatment, and recovery.

* The security code is an "extra" number that accompanies your credit card. On Visa, MasterCard, & Discover, it is the last three digits from the back of the card as it appears on/near the signature strip. On American Express cards, the number appears above and to the right of the regular card number on the front of the card.
