HOW DO I USE THE A.L.I.S.O.N. QR CODE?

Not everyone knows how to use a QR code. It is suggested each group monthly explain to the attendees how to use a QR code to access the A.L.I.S.O.N. website.

- 1) Access your camera on your cell phone.
- 2) Point the camera, as if you are taking a photo at the QR code.
- 3) Touch the message on the screen and it will take you to the A.L.I.S.O.N. website.
